

Pavilion Floors Presents the Ultimate in Elegance, Durability and Value ...

Ceramic tile, one of the oldest and most durable flooring products known, combines its strength with long-term value and timeless good looks.

PAVILION OFFERS A WIDE RANGE OF STYLES

Architects, developers, builders, facility managers and interior designers know both the creative and practical advantages of using ceramic and porcelain tile products. To meet this need, Pavilion Floors can offer a wide range of choices of ceramic and porcelain tiles in a nearly infinite array of shapes and colors to fit any specification.

SOME ADVANTAGES OF USING CERAMIC TILE

For all practical purposes, ceramic tile is a “green” product. It’s not only made from natural materials but it can be recycled and is considered to be biodegradable. Tile is also low maintenance. It is easy to clean and hygienic—ceramic tile resists humidity making it difficult for mold and bacteria to find a home.

A FEW REASONS TO CHOOSE CERAMIC TILE

- Ceramic tile is a natural product
- Minimal maintenance—easy to clean
- Low wear in high-traffic areas
- High durability means long-term value
- Mold, mildew and bacteria resistant
- Wide range of textures, colors and finishes
- Ceramic tile is fire, fade and slip resistant
- Competitively priced

Pavilion Floors’ craftsmen have the skill and experience that you need to professionally install these fine quality flooring products.

Our installers have been thoroughly trained and we’re proud to say that we don’t sub-contract any of our ceramic and durable surface installations.
